Teaching Kids To Make
Things That Do Things

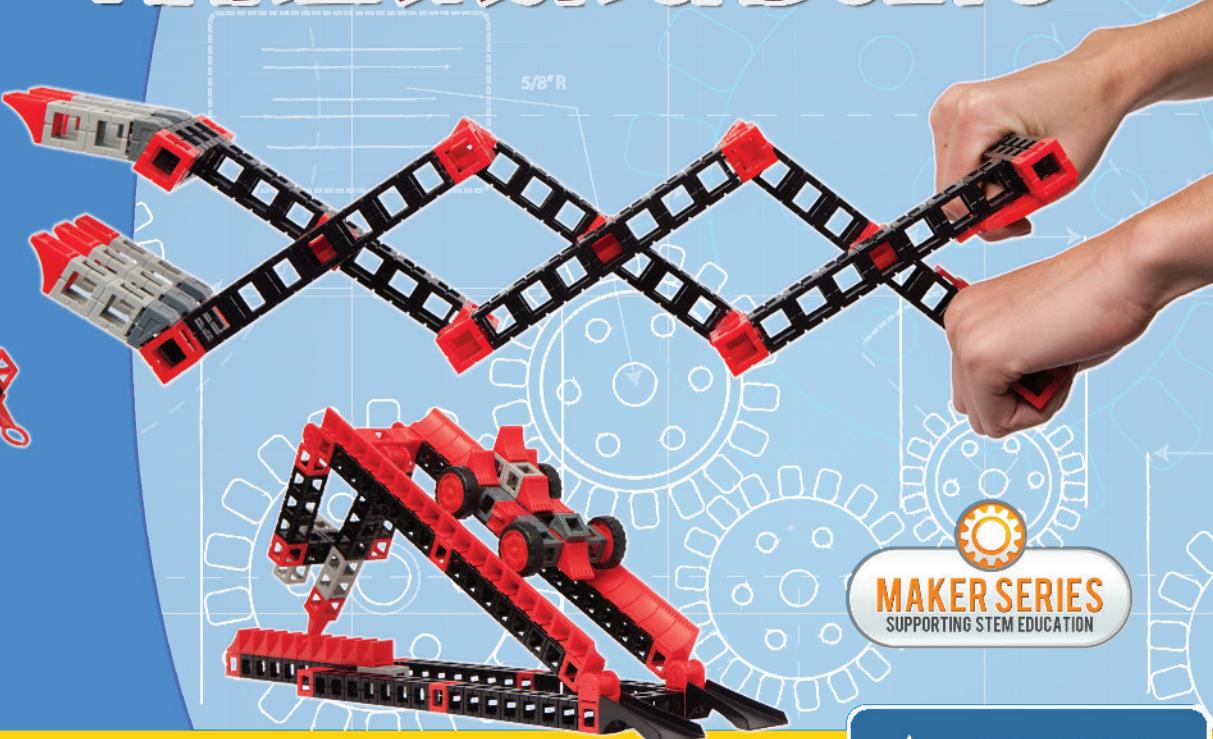

Makes
3 ROK'n
Builds!

MAKER ROK GADGETS

04321

6+

What Does This Teach?

- Introduction to force, angles, and mechanisms!
- Stimulate learning through hands-on exploration.
- Promote out-of-the-box thinking!

WARNING:

CHOKING HAZARD.
Toy contains small parts and small
balls. Not for children under 3 years.

MAKER SERIES
SUPPORTING STEM EDUCATION

WHAT WILL THEY LEARN?

Dear Parents,

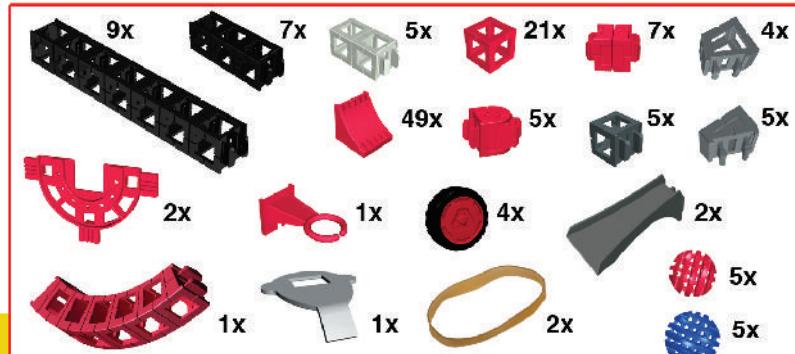

Maker ROK Gadgets will challenge kids to think about the way simple machines around us function. Working through three builds children will be exposed to mechanical advantage, force, potential energy, and more. We believe that hands-on play is a great way to foster learning and give us a deeper understanding of the world around us.

Have fun building!

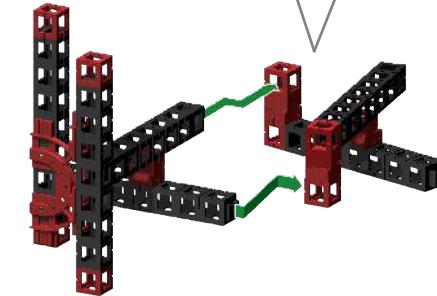

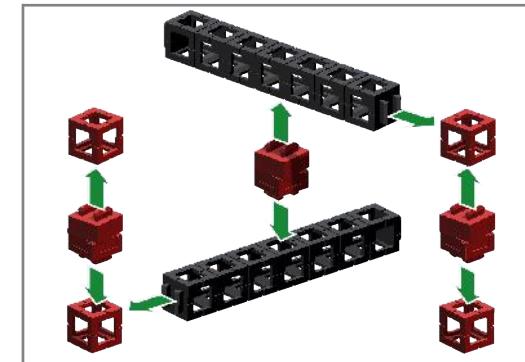

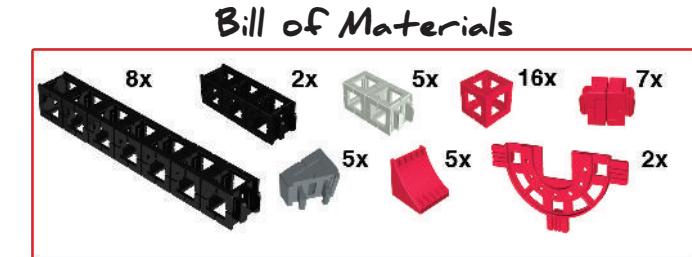

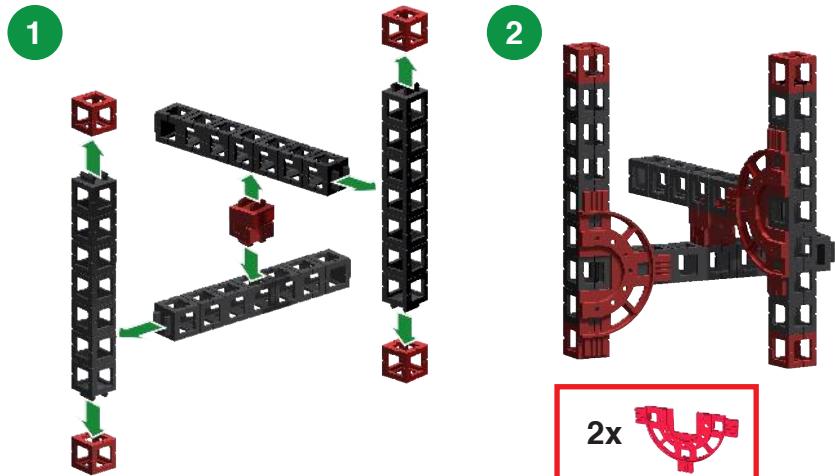

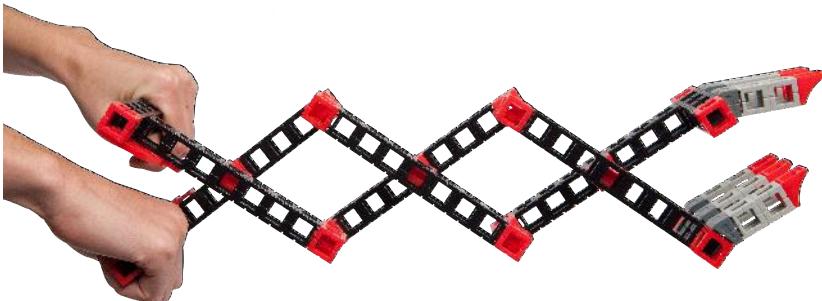

Mr. Rokenbok

Parts Count:

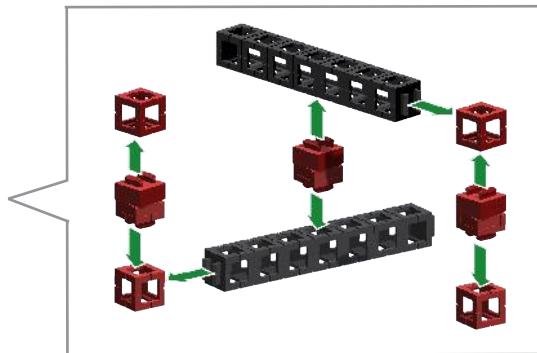

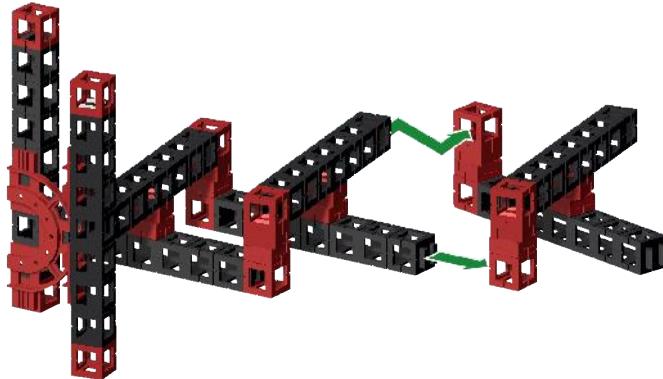

Color of building pieces may differ from those shown.
